Subject: Torrey Hills Community Planning Board (THCPB) decision on amending
Proposition M

Dear Councilmember Lightner:

At their June 14, 2010 regular meeting, The Torrey Hills Community Planning Board approved the following motion by a vote of 7 in favor and 1 opposed:

“The Torrey Hills Community Planning Board shall send a letter of support to Council District One in support of Carmel Valley’s Report of the Prop M Exploratory Subcommittee dated May 4, 2010 as amended on May 11, 2010. Additionally, the Torrey Hills Community Planning Board shall make every effort to support placing an amendment of the San Diego City ballot and support its passage.”

The THCPB is sympathetic to the situation faced by our neighbors in Pacific Highlands Ranch and Carmel Valley due to the unforeseen consequences of Proposition M. The THCPB welcomes the opportunity to work with Council District One and the other area planning boards in the process to amend Proposition M.

Sincerely,

Kathryn Burton, Chair
Torrey Hills Community Planning Board
